

Cohansey Area Watershed Association

TIME: 10:00 am, Thursday, February 4

PLACE: David Sheppard House

**Institute of Marine & Coastal Sciences
31 West Commerce Street, Bridgeton**

Follow the Raindrop: Education and Outreach Projects in Urban and Rural Communities

Meredith Brown, Conservation Coordinator, American Littoral Society, will provide an overview of a new multi-year environmental education and stewardship program. Funded by a grant from the National Fish and Wildlife Foundation, the project will involve students from schools in Bridgeton and Upper Deerfield.

To educate residents about the effects of stormwater runoff, the students will create several beautiful rain gardens. Follow-up education in 2017 will bring students together at the Littoral Society's outdoor education classroom in Hopewell Township.
